

DAVID JOEL WITT, M.D., FIDSA
Kaiser Permanente Medical Center
99 Montecillo Rd.
San Rafael, CA 94903
Citizenship: US, German
415-444-2454

EDUCATION

1984-86 Boston City Hospital, Boston, MA, Clinical Fellow in Infectious Diseases
1980-82 Boston City Hospital, Boston, MA, Junior and Senior Assistant Resident
1979-80 Boston Univ. Affil. Hospitals Program, Malden, MA
Department of Medicine, Malden Hospital
1975-79 University of Michigan Medical School, Ann Arbor, Michigan, Degree: MD
1970-74 University of Pittsburgh, Pittsburgh, PA, Degree: B.S. Chemistry

BOARD CERTIFICATION

Board Certified:

Certification in Infection Control, 2016
Certification in Tropical Medicine and Traveler's Health, 2008
Sub-specialty Certification, Infectious Diseases, 1992, 2001, 2012
#11871
American Board of Emergency Medicine, 1999, #11871
American Board of Internal Medicine, 1983, #085434
National Board of Medical Examiners, 1980, #212686

CLINICAL APPOINTMENTS

1992-2017 University of California at San Francisco, Associate Clinical Professor,
School of Nursing

2000-2018 University of California at San Francisco, Assistant Clinical Professor,
School of Medicine

1984-1987 Boston University School of Medicine, Instructor in Medicine

CURRENT LICENSURE

California	G046814	Exp: 10/31/21
DEA	AW1871347	Exp: 05/31/22
Massachusetts	47839	Exp: Inactive

PROFESSIONAL POSITIONS

2020- Present Subject Matter Expert, Marin County COVID Vaccination Task Force

2020- Present National Biodefense Science Board Working Group (WG) member.
Office of the Assistant Secretary for Preparedness and Response (ASPR)

2019- Present Trustee, Marin/Sonoma Vector Control District

PROFESSIONAL POSITIONS, continued

2017-present	Regional Healthcare Epidemiologist, Kaiser Permanente Northern California Region. Oversight and support for all infection control issues and consultative support for outbreak investigation.
2004-2017	Chief, Infectious Diseases, Kaiser Permanente Med. Cent., San Rafael
2013	Independent Program Reviewer for two projects. Comic Relief, donor: Improving Malaria Treatment through use of the Private Sector; and, A novel Pesticide-impregnated durable lining for houses. Monrovia, Liberia
2010	Clinical Coordinator, MENTOR Initiative Emergency Team, (Developed and implemented Dengue and malaria prevention and treatment programs in Haiti after the Haitian earthquake)
2008	Clinical Director, MENTOR Initiative Emergency Team, (Developed and implemented Dengue and malaria prevention and treatment programs in Myanmar for Cyclone Nargis)
2007	Clinical Director, MENTOR Initiative Emergency Team, (Developed and implemented a malaria prevention and treatment program in Garissa District, Somali Border area, Kenya)
2006-2010	Technical Auditor, US Department of State, International Science and Technology Center, Russian Federation, Kyrgyzstan and Tatarstan. Audited non-proliferation effort which funds non-weapons activities for former biologic weapon scientists and laboratories in the former Soviet Union. Audit was for integrity of the funding, the scientific validity of the project, verification that weapons work was not being performed and that former weapons scientists were performing the activities.
2005	Clinical Lead, Hurricane Katrina and Rita Relief Team, Houston, Texas
2005	Clinical Director, MENTOR Initiative Emergency Team, (Developed and implemented a malaria prevention and treatment program, Aceh province, Indonesia)
1997-98	Asst. Chief, Dept. of Medicine, Kaiser Permanente Med. Cent., SSF, CA
2000-4 1989-94	Chair, Infectious Disease Chiefs, Northern California Permanente Medical Group
1987- 2004	Chief, Infectious Diseases, Kaiser Permanente Med. Cent., SSF, CA
1998- 2010	Medical Director, South San Francisco Fire Department
1987-95	Chief, Emergency Department, Kaiser Permanente Med. Cent., SSF, CA
1987-95	Medical Director, Sub-Regional After-Hours Advice Center

PROFESSIONAL POSITIONS, continued

- 1986-87 Emergency Department Director, Woodland Memorial Hospital,
Woodland, CA
- 1986-87 Regional Director, Valley Emergency Physicians Medical Group,
Oakland, CA
- 1986-87 Medical Director, Yolo Ambulance Services, Yolo County, CA
- 1986 Locum Tenens, Infectious Disease, Carney Hospital, Boston, MA
- 1985-86 Attending Physician, Emergency Department, Boston City Hospital,
Boston, MA
- 1983-84 Emergency Department Director, Oak Valley District Hospital, Oakdale,
CA
- 1983-84 Preceptor, Medical Clinic, St. Mary's Hospital, San Francisco, CA
- 1982-84 Emergency Physician, Valley Emergency Physicians Medical Group,
Berkeley, CA
- 1981-82 Emergency Physician, Carney Hospital, Boston, MA
- 1974-75 Research Assistant, Dept. of Toxicology, Univ. of Pittsburgh, School of
Public Health, Pittsburgh, PA

CONSULTANT

- 1994-98 Oceania Corporation, Palo Alto, CA
Clinical Users Group for development of a clinical information system
- 1985-6 State of Massachusetts, Department of Public Health, Department of
Drug Rehabilitation; Policy Development and Staff Training for AIDS and
Other Infectious Diseases

TEACHING AND PROFESSIONAL ACTIVITIES

Scientific Reviewer:

Vaccine
Clinical Infectious Diseases
Annals of Emergency Medicine
Pediatrics
Journal of Infection
Transplant Infectious Diseases
American Journal of Managed Care
Open Forum Infectious Diseases (OFID)
The Permanente Journal

- 2000-2018 Attending Physician, Ft. Miley Veterans Hospital, San Francisco, CA

TEACHING AND PROFESSIONAL ACTIVITIES, continued

- 1988-2018 Nurse Practitioner Preceptor, Univ. of California at San Francisco, School of Nursing
- 1988-2009 ACLS Course Medical Director, Kaiser Permanente Med. SSF, CA
- 1987-93 Examiner and Reviewer, Board of Medical Quality Assurance, State of California
- 1986 Member, Massachusetts Department of Public Health, Task Force on AIDS and the Needle Drug Abuser
- 1985 Testimony, House Officers Assn, Massachusetts Legislative Subcommittee On Health Affairs

CERTIFICATION

- 2010 Patient Safety Executive, Institute for Healthcare Improvement
- 2008 Tropical Medicine and Traveler's Health
- 1990 Hospital Epidemiology Training Course, Centers for Disease Control,
- 1989 Physicians' Management Course, Permanente Medical Group

HONORS

- 2016 Outstanding Contribution to Community Health Marin Medical Society
- 2007 Corporate Partner Award, California Medical Association Foundation, Anaheim, CA
- 2005 Marin County Community Heroes Recognition, American Red Cross
- 1995 Commendation, South San Francisco Fire Dept., for paramedic support and training
- 1974 Dean's Undergraduate Teaching Fellowship, University of Pittsburgh, Pittsburgh, PA

MEMBERSHIPS

- 2014 European Association for the Study of Liver Disease
- 2013 American Association for the Study of Liver Disease
- 2007 American Society for Tropical Medicine and Hygiene
- 1993 Society for Hospital Epidemiology of America
- 1992 Infectious Diseases Society of America
- 1991-95 American College of Emergency Physicians
- 1991 Bay Area Infectious Disease Society
- 1988 California Medical Association
- 1985 American Society of Microbiology
- 1980 American College of Physicians

INVESTIGATIONAL STUDIES

Principal Investigator:

TKM-100802, interfering small RNA. Expanded Access Protocol for Use of TKM-100802 in Patients with Confirmed or Suspected Ebola Virus Infection

P05063 Long –Term Follow-Up of Subjects in a Phase 1,2 or 3 Clinical Trial in Which Boceprevir or Nalraprevir was Administered for the Treatment of Chronic Hepatitis C

P05126 A Phase 3, Safety and Efficacy Study of Boceprevir in Previously Untreated Subjects With Chronic Hepatitis C Genotype 1

MK 003-02 A Dose-Ranging Study to Test the Safety, Tolerability, and Effectiveness of Different Doses of MK-5172 when Given with Peginterferon alpha-2B and Ribavirin in Patients with Hepatitis C Virus Infection

Observational Study of Hepatitis C Treatment with Direct Acting Antivirals in an Integrated Healthcare System in a Community Setting.

IFNL4 Genotype for Predicting Response to Ledipasvir/Sofosbuvir in Hepatitis C

California Encephalitis Project

Sub-investigator:

A Retrospective Review of the Relationship Between Statin Treatment, Cholesterol Levels and Bacteremia Outcomes

A phase III, randomized, double-blind and placebo-controlled study of once daily BI 201335 120 mg for 24 weeks and BI 201335 240 mg for 12 weeks in combination with pegylated interferon-a and ribavirin in treatment-naive patients with genotype 1 chronic hepatitis C infection

Expanded access Phase 2b and 3 studies

For HIV: Lamivudine
Lopinavir/ritonavir
Enfuvirtide
Tenofovir
Others: Quinupristin/dalfopristin (vancomycin-resistant enterococci)
Clofazamine (mycobacterium avium)
Sodium stibogluconate (Leishmaniasis)

GRANTS AND PROJECTS

1994-1995 Urgent Emergent Re-engineering, Kaiser Permanente. Review and design of systems for providing urgent patient care. Demand Management, Information Technology and other developing strategies and technologies for clinical care were all examined.

GRANTS AND PROJECTS, continued

- 1992 Medical Office Clinical Information Systems (MOCIS0, Kaiser Permanente Consensus development and technical specifications for Emergency Department applications of the "MOCIS" automated record.
- 1992 Medical Office Clinical Information Systems (MOCIS), Kaiser Permanente Directed research. Examination of alternative educational methods for training physicians in the use of computers.
- 1990-1991 Medical Office Innovation Grant #302, Kaiser Permanente - To quantitatively and qualitatively evaluate the benefits of dictation services in the Emergency Department. \$38,796.00
- 1991 Regional Integrated Laboratory Information System (RILIS), Clinical Users Group, Kaiser Permanente - Consultative committee to facilitate and direct the introduction of a Region-wide laboratory information system.
- 1991 Gateways Project, Kaiser Permanente, Collaborative committee of architects and clinicians for design of modular departments for new hospital construction.
- 1990 Medical Office Innovation Grant #303, Kaiser Permanente - To develop and evaluate a sub-regional overnight advice center, staffed by RNs. \$61,286.00

COMMITTEES, (Selected)

- 2019 Steering Committee, Course Faculty APIC Applied Learning Conference October 26-27, 2019. St Louis, MO
- 2013-2019 Chair 2015-6, Vice Chair 2014-5, Member, Abstracts Committee, Association for Professionals in Infection Control and Epidemiology
- 2012-2019 Chair 2017-8, Vice Chair 2016-7, Member, Annual Meeting Program Committee, Association for Professionals in Infection Control and Epidemiology
- 2008-2017 Co-Chair, Marin County Immunization Task Force
- 2012-2016 Chair,
2005-2016 Member, California Department of Public Health, Healthcare Associated Infections Advisory Committee,
- 2007-2008 Member, MRSA Expert Advisory Panel, CMA Foundation
- 2001-2019 Member, National Executive Oversight Committee, Kaiser Permanente (Oversees responses to disasters, terrorism and Healthcare Continuity, Chair, Clinical Workgroup of National Executive Oversight Committee

COMMITTEES (Selected), continued

- 1999-2016 Steering Committee and Founding Member, California Medical Foundation, AWARE Project (Alliance Working for Antibiotic Resistance Education). AWARE promotes appropriate use of antibiotics to prevent antibiotic resistance with its CDC partner and a broad-based coalition of Industry, Professional Societies, Consumers and Pharma.
- 2005 – 2007 Member, California Department of Health Services, Pandemic Influenza Planning Task Force
- 2004 - 2005 Member, California Department of Health Services, Public Health and Emergency Preparedness Planning Committee
- 2005-p2015 Chair, Emergency Preparedness and Disaster Committee, Kaiser Foundation Hospital, San Rafael, CA
- 2004-2017 Chair, Infection Control Committee,
Member, Pharmacy and Therapeutics Committee
Kaiser Foundation Hospital, San Rafael, CA
- 2004-2010 Member, Joint Advisory Committee, (bioterrorism), Marin County, CA.
- 2001-2004 Member, Terrorism Preparedness Task Force, San Mateo County, CA
- 1987- 2004 Chair, Infection Control Committee,
Member, Executive Committee, Pharmacy and Therapeutics Committee,
Utilization Review Committee; Kaiser Permanente Medical Center, South
San Francisco, California
- 1994-1996 Outcomes Cost Management Committee, California Chapter
American College of Emergency Physicians
- 1993-1994 Managed Care Committee, San Mateo Medical Society, San Mateo, CA
- 1990-1992 Medical-Legal Liaison Committee, Emergency and Disaster Committee,
San Mateo Medical Society, San Mateo, CA
- 1988-1994 Kaiser Permanente, Regional AIDS Committee
- 1987-1990 Medical Advisory Committee, San Mateo Department of Health Services,
San Mateo County, California
- 1987- 2004 Chair, Infection Control Committee,
Member, Executive Committee, Pharmacy and Therapeutics Committee,
Kaiser Permanente Medical Center, South San Francisco, California
- 1986 Emergency Care Committee, Woodland Memorial Hospital
Woodland, California
- 1981-82, 85 Executive Committee, Bargaining Committee, Boston City Hospital House
Officers Association

SYMPOSIA TALKS (Selected).

Witt, D., AIDS: An Overview, American Public Health Nurses Association, Annual Meeting, Cambridge, Massachusetts, September 10, 1985

Witt, D., The Clinical Spectrum of HTLV-III Infection, Symposium on the Biology of HTLV-III Infection and its Consequences, Wood's Hole, Massachusetts, February 1, 1986.

Witt, D., AIDS in Needle Drug Users and Prostitutes, guest lecture, Harvard School of Public Health, May 13, 1986.

Witt, D., AIDS in Parenteral Drug Users, guest lecture, Boston University School of Public Health, June 5, 1986.

Witt, D., AIDS in the Workplace, San Francisco, California, March 10, 1988.

Witt, D., Emergency Department Physician Extenders: Alternate Models, Panel Member, American College of Emergency Physicians Scientific Assembly, San Francisco, California, September 16, 1990.

Witt, D., Host Faculty, Preventing Malpractice in Emergency Medicine, San Francisco, California, February 21-23, 1992.

Witt, D., Tuberculosis in Health Care Workers. Cost-Effective Antibiotics Use, Third National Kaiser Permanente Emergency Medicine Conference, San Francisco, California, August 1, 2, 1993.

Witt, D., Cost-Effective Antibiotic Use, Emergency Medicine Grand Rounds, Stanford University, Stanford, California, February 9, 1994.

Witt, D., Difficult Cases in Infectious Diseases, Cost-Effective Infectious Disease Workups, Fourth National Kaiser Permanente Emergency Medicine Conferences, Vail, Colorado, August 14-17, 1994.

Witt, D., Tuberculosis Infectious Disease Symposium, Continuing Education for Laboratory Personnel, Oakland and Sacramento California, October 19-20, 1994.

Witt, D., Case Discussions, Eleventh Annual Advances In Emergency Medicine, University of California at San Francisco, California, April 6, 1995.

Witt, D., Emerging and Re-emerging Infectious Diseases, Including Biologic Warfare. Northern California Division, American Society for Microbiology, Sacramento, CA, September 19, 1998.

Testimony, Observations on Vaccinia Vaccine Program, Institute of Medicine, May 1, 2003, Washington, DC.

Witt, D., Emerging Infectious Diseases, University of California, Center for Environmental and Environmental Health, Oakland, CA, July 30, 2004.

SYMPOSIA TALKS (Selected), continued

Panel member. National Healthcare Policy Forum. Pandemic Influenza Planning, Washington, DC, November 1, 2004.

Course Director, Emerging Infectious Diseases, What Occupational Safety and Health Professionals Need to Know, University of California, Center for Environmental and Environmental Health, Oakland, CA, July 25-6, 2005.

Course Faculty, Workshop on Malaria Control, The MENTOR Initiative, November 26-7, 2005. Tokyo, Japan.

Presentation, Pandemic Flu, Business Continuity and Crisis Management Council, The Conference Board, June 1-2, 2006, Dallas, Texas

Panel member, Preparing for Pandemic Flu: Collaboration and Tension between Health Care Providers and Public Health Authorities. California Society for Healthcare Attorneys, October 27, 2006, Burlingame, CA

Course Faculty and Sponsor, Five-day intensive training workshop on Malaria in Complex Emergencies, The MENTOR Initiative, Entebbe, Uganda, February 2007, Mill Valley, CA October 2007, Washington, DC. March 2008, Thailand, February 2010, Nairobi, Kenya, November 2011, Dar es Salaam, Tanzania, April, 2012, Accra, Ghana, July, 2012, Mombassa, Kenya October 2017, Dakar, Senegal April 2019

Witt, D., Lundstrom, T. The Infected Healthcare Worker: Practice vs. Recommendations. Association for Professionals in Infection Control and Epidemiology, Annual Meeting, June 7, 2014. Anaheim, CA. Invited speaker

Panel member. Private Health System Perspectives on the National Capability to Respond to Threats to Health, Safety, and Security. Engaging the Private Sector Health Care System in Building Capacity to Respond to Threats to the Public's Health and National Security: A Workshop March 20-21, 2018. National Academy of Medicine. Washington, DC
